

Ospan A. Mynbaev  
MD, MSc Med.Pharm., PhD, ScD  
Head of the Experimental Researches & Modeling Division, Moscow State University of Medicine & Dentistry, and  
Professor of the Department of ObGyn and Reproductive Medicine, Peoples' Friendship University of Russia, Moscow, Russia  
Senior Research Consultant, The Moscow Institute of Physics and Technology, State University, Dolgoprudny, Russia  
E-mail: [ospanmynbaev@hotmail.com](mailto:ospanmynbaev@hotmail.com)

Doctor in de Medische Wetenschappen (2006): MSc [Med.Pharm.] (2006):The Vrije Universiteit Brussel and Ghent University, Belgium; Postdoctoral Fellow [Researcher – Instructor] (1999-2002): KULeuven, Belgium; ScD (1997):The Research Center for Obstetrics, Gynecology and Perinatology and Moscow State University named after M.V.Lomonosov, Russia; PhD (1992):The Research Center for Obstetrics, Gynecology and Perinatology and The Russian Scientific center of Surgery, RAMS, Russia; ObGyn certification (2012; 1987; 1982): MD (1981):Kazakh National Medical University (Alma-Ata State Medical Institute), Alma-Ata, KazSSR, USSR.

Since 1991, more than 100 original research articles, reviews, case reports, monographic books and chapters and manual book for physicians. For research activities Dr Mynbaev received the gratitude letters signed by: the NESA president Berlin, Germany(2012); the president of international forum on cervical pathology Moscow (2012); the Rector of Moscow State University of Medicine & Dentistry, (2012); the ESG president Paris, France(2011); the IXth ESG congress president Copenhagen, Denmark(2011); the Healthcare Minister of the Republic of Kazakhstan, Astana(2007). The Honorable mention prize-diploma for multidisciplinary paper, The SLS congress, ENDO-EXPO, Boston, USA(2006); The American Society for Reproductive Medicine for paper review prize(2006); An individual grant from the owner and vice-president of Karl Storz, Mrs Sybil Storz, Germany(2007); Fertil & Steril ad hoc review gratitude letters (2007-2011); The award (1st prize) for scientific presentation at the All-Russian ObGyn Forum, Moscow (2010); Raul Palmer prize, ESGE congress, Lisboa, Portugal (2001); Jerome J. Hoffmann prize, AAGL annual meeting California, USA (2001); Soros foundation prize, Moscow (1994), The NewYork Academy of Sciences membership invitation, NewYourk (1994); The Honorable Mention diploma, signed by the vice-chairman of the Scientific ObGyn Society of USSR, Prof. E.M.Vikhlyeva, Moscow (1990); Honorable mention diploma for research presentation at the All-USSR conference of young researchers and physicians, Alma-Ata(1985).

Dr Mynbaev is a corresponding Member of the Russian Academy of Natural History since 2011; Co-editor of the Open Journal of Obstetrics & Gynecology, invited guest editor of Journal of Biomedicine & Biotechnology), A board member of the Int J of Medicine, Open Journal of Obstetrics & Gynecology, Advances in sexual medicine and in several journals of the Academic and Scientific Publishing company. Ad hoc reviewer of Fertility & Sterility, Am.J of Pathology, Reproductive sciences, Human Reproduction; Systems Biology in Reproductive Medicine and other). Member of NESA, ESG, ESC, NYAS, IPVSOC, ISFP, PAX and other professional scientific societies.
